Re: Stone Forest Accountserve Pte Ltd

This serves as a testimonial to the excellent accounting services provided by Stone Forest Pte Ltd in Singapore to Littlestar Services (Australia) Ltd for the touring Australasian theatrical musical production of MAMMA MIA!

I and Sally Greenwood, Deputy Company Manager, mainly dealt with Angeline Wong to arrange bill payment by cheque and the withdrawal of local currency for Petty Cash and company per diems during our time in Singapore. In all that time we never encountered any problems or difficulties with either Angeline or anyone at Stone Forest.

Stone Forest personnel have at all times been courteous, friendly and extremely helpful and we would certainly like to take this opportunity to thank Angeline for her professionalism and assistance without which would have made our time in Singapore very difficult to bear.

Once again, many thanks.

Your sincerely
